

**CONCURRING STATEMENT OF
COMMISSIONER KEVIN J. MARTIN**

*Re: Infinity Radio License, Inc., Licensee of Station WLLD(FM), Holmes Beach, FL,
Memorandum Opinion and Order*

This Order denies a Petition for Reconsideration of an Order we released in March of this year. I concur in this Order for the same reason I concurred in the underlying Order: the broadcast included numerous indecent utterances; Infinity, the licensee, has a long history of repeated violations; and thus each violation in this broadcast deserves a much higher fine. The Bureau's proposed \$7,000 fine is therefore inadequate.
